### Our Vision

The Coalition for Juvenile Justice (CJJ) envisions a nation where fewer children are at risk of delinquency; and if they are at risk or involved with the justice system, they and their families receive every possible opportunity to live safe, healthy, and fulfilling lives.

### Our Mission

CJJ is a nationwide coalition of State Advisory Groups (SAGs) and allies dedicated to preventing children and youth from becoming involved in the courts and upholding the highest standards of care when youth are charged with wrongdoing and enter the justice system.
