This Division oversees the agency's program of research and evaluation, translating the knowledge and lessons learned from these activities into specialized training and technical assistance for tribal nations, states and communities, and communicating OJJDP’s priorities and initiatives to the field to promote sound policies, best practices, and systems improvement.
NTTAC Mission

The mission of OJJDP’s NTTAC is to ensure Training and Technical Assistance (TTA) is efficient and effective by supporting systemic coordination amongst its network of TTA providers, ensuring the delivery of TTA that is responsive to the needs of the field, and promoting TTA that is aligned with OJJDP priorities.

The OJJDP TTA Network
TTA Coordination

• OJJDP’s NTTAC serves as the OJJDP TTA Provider Network broker and is responsible for ensuring effective collaboration and coordination of OJJDP’s TTA providers.

• NTTAC performs intake and referral of TTA requests submitted electronically through OJJDP’s NTTAC website (www.nttac.org). OJJDP’s NTTAC Help Desk also provides support (Email: tta@nttac.org & Phone: 800-830-4031).

• TTA providers work with OJJDP’s NTTAC TTA Network Coordinator to ensure TTA requests are referred to the appropriate provider and successfully transferred.

• OJJDP’s NTTAC also convenes quarterly OJJDP TTA Provider Meetings and provides trainings to the network to build capacity.
